

BIG DOGS BIG HEARTS RESCUE INC. is dedicated to Rescuing, Rehabilitating and Re-homing large breed (pure or mixed breed) dogs, thus helping to reduce the number of homeless stray dogs and the need for euthanasia in shelters.

BDBH RESCUE concentrates on rescuing German Shepherds, other Large Breed dogs and occasionally Mixed Breeds. Most of the dogs come from local shelters in the Southern United States. Some come from owners who have requested our help in finding a new home for their pet.

BDBH RESCUE is committed to finding forever homes (through adoption) for rescued German Shepherds and other Large Breed dogs in the Rochester and Buffalo Niagara region of New York State.

Nonprofit Organization

BDBH RESCUE operates as a nonprofit New York corporation and is completely dependent on donations and adoption fees to support its activities. None of the volunteers with our organization are compensated employees.

Funding

BDBH RESCUE is funded by donations and in part from the adoption fees charged for the dogs. Donations and adoption fees help to cover some of the costs associated with caring for the dogs.

BDBH DOGS receive vaccinations and veterinary care including, but not limited to, DAPP or similar vaccine, as recommended by the attending veterinarian, rabies and bordetella vaccines, heartworm test and heartworm preventative, and flea and tick preventative and are provided basic treatments and tests as needed before adoption, which may have included heartworm treatment, parasite testing and treatment, and other appropriate vaccines, age and health permitting.

Adoption Application Donation

There is a non-refundable \$20 application donation required prior to processing your application. It will be applied towards the adoption donation if / when you adopt a rescue dog from BDBH or it will be used as a donation towards medical treatment for our dogs if you choose not adopt from BDBH.

Adoption

Our non-refundable adoption donation is \$295. This donation represents a contribution to defer BDBH's expenses both directly and indirectly attributable to the rescue of the specific adopted dog and other BDBH dogs. The adoption donation helps defray some of BDBH's expenses, which allows us to save more dogs. *** Senior Adoption Fee: 6 years old and over: \$ 200.00 ***

Spayed / Neutered

All BDBH dogs are spayed/neutered prior to adoption, unless, for veterinarian documented medical reasons, it is not safe to do so. If this is the case, the adopter will be required to agree in BDBH's adoption contract that under no circumstances will the adopted dog be used for breeding, including accidental breeding. If breeding does occur, it is a default by the adopter under the terms of BDBH's adoption contract

Fostering

Fostering is the very foundation of our organization. Without the generous foster families who open their homes to a dog in need, we would not be successful at saving so many dogs. We take into account your home environment and schedule when matching you with a foster dog. The rescue provides all the supplies and services required to care for your new temporary family member.

If you live in or near the Rochester and Buffalo Niagara region please consider fostering. If interested please contact us and fill out our Volunteer Application.
