Important Reminders:

1. All BDBH dogs are quarantined for 2 weeks upon arrival to a new foster home unless otherwise cleared in writing.

2. If your foster dog is not fully vaccinated he or she cannot attend Meet and Greet. Puppies, who have been quarantined for 14 days, received 2 DAPPs, may attend Meet and Greet, however, should not touch the ground, must be in an XPen on old sheets and the area of the floor cleaned with bleach/water solution before and after Meet and Greet. Please do not use any items belonging to stores.

Contact Allie and Darcy if your foster dog has/is...
